GUEST SPEAKER

This month we are inviting members to share their experience(s) with art related online courses, including YouTube.

SHOW AND TELL

Bring along your creations (max. 2 per person) and share with the group. It could be a finished piece, or a work in progress. You may wish to have your work critiqued, or simply show, and tell us a little about it.

MY TIME MY LIFE

Art Group Nelson was well represented at the My Time My Life event, held over 4 different weekends from May through August.

In it's inaugural year, it was generally reasonably quiet at each venue although there was some interest generated for the group with some potential new members.

Thanks to all the Committee members who represented the group at the various venues, and an especially huge thank you to Lyse Beck who organised AGN's part, and attended all 4 weekends.

David Ryan: An Intuitive Approach to Painting

Wednesday 27 September to Sunday 1 October 2023

This 5 day workshop explains the act of seeing by looking at the principles behind our vision that are critical to our ability to paint and create our own unique observations of the world we live in.

Each day participants will deal with different, exciting and hands-on techniques of painting.

- * Improvisational Techniques – Intuition and Observation
- * Impact and Dynamics
- * An Intuitive Approach to Colour Mapping
- * Contemporary Landscape Painting from Plein Air to the Studio

The mornings will be devoted to explorations and guided studio activities, which will address the above aspects of painting.

The afternoon is reserved for more independent work to gain greater insight into how to use the techniques practiced in the morning more effectively in your work.

Includes critiques, analysis, slide show, individual and group discussion, in a fun and supportive atmosphere.

Illustrated notes supplied.

Beginners, intermediate and advanced levels are welcome.

Medium: Acrylic, Oil or Watercolour

Cost: \$410
