GUEST SPEAKER(S)

SUMMER EXHIBITION - REVIEW

Queens Gardens produced the perfect setting for our Summer Exhibition with 40 Artists showing off their skills. We had lovely weather, a good turnout and people spoke of a "friendly atmosphere".

So what did we learn? Five Exhibitors will speak about their experience covering pricing, selling, people's tastes etc. They will also suggest improvements that can be made which are important going forward. If you were a Spectator your opinion is very valuable too as various viewpoints create a lively discussion.

The Speakers are
Brian Dobson, Emily Lake, Kim Filshie, Virginia Watson and
Michael Doyle.

SHOW AND TELL

Bring along your creations (max. 2 per person) and share with the group. It could be a finished piece, or a work in progress. You may wish to have your work critiqued, or simply show, and tell us a little about it.
